

applySettings

setup

DevLab_ICM20948::setGyro
Scale

```
graph LR; A[applySettings] --> C[DevLab_ICM20948::setGyro Scale]; B[setup] --> C;
```

The diagram illustrates two functions, 'applySettings' and 'setup', both of which call the 'DevLab_ICM20948::setGyro Scale' method. 'applySettings' is positioned above 'setup', and both have blue arrows pointing to the target method box on the right. The target method box is shaded gray and contains the text 'DevLab_ICM20948::setGyro Scale'.
