

BusIO_7Semi::readBit

```
graph LR; A[BusIO_7Semi::readBit] --> B[BusIO_7Semi::readBits]; B --> C[BusIO_7Semi::read];
```

The diagram illustrates a sequence of three operations in a horizontal flow. The first operation, 'BusIO_7Semi::readBit', is contained within a grey rectangular box. A blue arrow points from this box to the second operation, 'BusIO_7Semi::readBits', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'BusIO_7Semi::read', also in a white rectangular box with a black border.
