

applySettings

setup

DevLab_ICM20948::setGyro
Scale

```
graph LR; A[applySettings] --> C[DevLab_ICM20948::setGyro Scale]; B[setup] --> C;
```

The diagram illustrates two functions, 'applySettings' and 'setup', both of which call the 'DevLab_ICM20948::setGyro Scale' method. 'applySettings' is positioned above 'setup', and both have blue arrows pointing to the target method box on the right.
